Final Report Form

Participants: _____

In a brief format, please list topics discussed and ideas shared. Use the back of this sheet or an extra sheet if necessary:

Round Table Topic: Hand held devices in the library

The handout provided was a print out from the UConn Health center Lyman Maynard Stowe Library Web site.

All of the table participants have personal PDA's and Evelyn brought a personal computer to share with us.

Two participants either load licensed resources to users' PDA's or provide sync stations and instructions for their users so they can do it themselves.

Recorder: Please send your report (MS Word file attachment preferred) by Monday, June 9, 2008 to:
